

2012 International Lean & Six Sigma Conference

February 28-March 2, 2012; Hyatt Grand Cypress, Orlando, Florida, USA

Dear Adil,

On behalf of the Technical Committee and the Conference Founders, I would like to thank you for sharing your expertise and presenting at the 2012 International Lean and Six Sigma conference in Orlando, Florida. We all share a passion for our industry and your presentation was an integral part of one of the most valuable technical programs we have had to date.

In my opening remarks, I said we had some of the most knowledgeable, experienced, and articulate speakers and you kept me true to my word. Your presentation was very well received by our conferees! I hope you enjoyed networking with them and will consider returning to our conference in the future.

Thank you again for your participation in our conference this year and I hope to see you at the 2013 International Lean and Six Sigma conference!

Kind regards,
